5-Day Composition Challenge

DAY 4

Fine-Tune

Instructions

1. Watch the Day 4 Challenge video.
 2. *For Soundtrap users:* Watch the Soundtrap Day 4 tutorial.
 3. *For Muscore users:* Watch the Muscore Day 4 tutorial.
 4. Add any final effects, markings, and adjustments that will bring your piece to a finished state.
 5. Export your final work as an mp3.
-

Tips

Watch the Day 4 Challenge video for explanations and examples of these tips.

For notation software users:

1. Pay attention to transition points.
2. Use articulations to enhance.
3. Use slurs to connect notes.
4. Use dynamics to bring out form and dimension.
5. Tailor it to humans or robots.

For DAW users:

1. Use effects creatively.
 2. Use filters for transitions.
 3. Explore compression as an effect.
 4. Use EQ to niche your sounds.
 5. Add reverb & delay for spatiality.
 6. Listen on different devices.
